Application No. 10

Secretary
Federal Communications Commission
Washington, DC 20554

Attention: Common Carrier Bureau

Application is hereby made on behalf of CenturyTel Operating Companies (CTOC) to waive the requirements of Sections 61.58 and 61.59 of the Commission's rules.

CTOC filed Transmittal 36 on June 16, 2004 for the Annual Access Filing. The Company hereby requests Special Permission to change rates in that filing to become effective on not less than one day's notice on July 1, 2004. Changes have been made to Primary Interexchange Carrier Charges and End User Common Line Charges. AT&T notified the company of a demand difference in the access line counts reported in our TRP filing and the access line counts reported in Exhibit 3 of the D&J, used for determining Universal Service Receipts. The differences are the total annual counts (used in the TRP) versus the one month annualized access line counts (used in Exhibit 3). We agree with AT&T and the actual access line counts reported for Universal Service should be used. In order for these rates become effective on July 1, 2004 it is necessary that a waiver of the Commission Rules be obtained. A copy of the proposed tariff transmittal and illustrative tariff pages is attached.

The original Application Letter, along with FCC Form 159 and the required filing fee of \$695 are being sent via overnight service to the Mellon Bank in Pittsburgh, Pennsylvania, under FRN 0003-7406-51.

All calls concerning this filing can be made to me at 360 905-7918. Correspondence should be sent to me at the above address or faxed to 360/905-7979.
